"Liger Lady" Magnet by Ana Benaroya

\$10 Level: 1 Bumper Sticker and Magnet Pack

This year we have two new designs to grace our bumper stickers and magnets. The "Bolt" Bumper Sticker was designed by Brooklyn-based artist **Sohrab Habibon**, who also is a member of the Sub Pop band Obits (obitsurl.com). Turquoise blue with white lettering, it's sure to spruce up your car's bumper or anywhere it's adhered to. Our "Liger Lady" magnet was created by New Jerseyan (and darn proud of it!) **Ana Benaroya** (anabenaroya.com). Printed in cyan and magenta, this magnet is quite the masterpiece for your refrigerator.

\$33 Level: 1 T-Shirt + 1 Bumper Sticker and Magnet Pack

"Blagga!" T-Shirt by Hawk Krall

Select a shirt from the designs on the right, and receive the "Bolt" bumper sticker and "Liger Lady" magnet in addition to your donation!

We're pretty certain that Philadelphia-based illustrator and comic artist **Hawk Krall** (hawkkrall.net) was channeling the not just the soul and sound of Monday night's "x Clean Yr. Room x" program, but of numerous punk rock programs in WPRB's past. This red, yellow, and black design comes on a soft white cotton t-shirt.

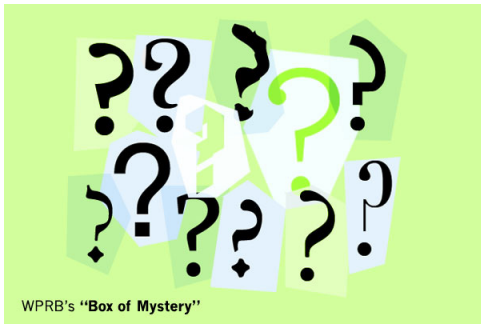

"KeyBird" T-Shirt by Doctor Pizzoli

Philadelphia's **Doctor Pizzoli** (drpizzoli.com) designed the hooded sweatshirt in our very first Membership Drive and returns with another fantastic illustration this year. The WPRB "KeyBird" appeals the young at heart with its playful, vibrant design and colors, which are set on a blue cotton T-shirt.

Jen Cooke's (raeburnink.com) contribution to our T-shirts is a handcrafted webbed design of lilac, dark brown, and orange on a cream-colored cotton tee. Elegant and refined to fit a wide variety of folks!
